

Hello Parents/Caregivers of a Grade 12 Student,

**To make Dry After Grad (DAG) successful, inclusive, and fun event for our 2024 grads.** DAG is planned by the current grade 12 parents/caregivers, and we are continuing to ask parents/caregivers to contribute what time they have to help plan the event for June 26th/27th, which is then run by grade 8-11 parent volunteers.

Thank you to those parents that have come forward to chair or help out with one of the various committees.

**Ways You Can Help:**

- **Get Involved.** Attend our next **meeting Monday April 15 from 6-7 pm** in the McMath staff room. All grade 12 parents are welcome even if this is your first meeting.
- **Help Out on a Committee.** Most Committee Chairs have been established but we need many parents to help out on the committees.
- **Take Home Projects.** Decorating projects that can be done on your own time at home.
- **Restaurant, Food or Beverage Donations/Connections.** Make a connection for any restaurant, food, or beverage donations.
- **Contractor Discount or Building Supplies.** Assist with building materials for decorations.
- **Donations.** Connect with local businesses, community groups and individuals to gather donations to offset the costs.

**Tight on Time?** Consider making a cash donation or share a contact in your network that may be interested in making a donation. The cost of hosting DAG has increased. Any donation amount will help.

**Next Meeting:** Please join us on **Monday, April 15th from 6:00 pm - 7:00 pm** in the McMath staff room. **All grade 12 parents are welcome and encouraged to attend.**

We really appreciate your help, and we wish you all a restful spring break.

Kind regards,  
Diana Trueman
