Dear Parents and Guardians,

Recently, I was made aware of correspondence from members of our community expressing concern regarding media reports of child luring. Knowing that this type of information can be unsettling for families, I want to reaffirm our commitment to the safety and well-being of our students.

With this in mind I have attached the RCMP media release dated February 23, 2024, to ensure that all members of our school community are fully aware of this information.

As always, our community, our school and the RCMP, will continue to work together in order to keep our children safe. If you have any questions or concerns, please feel free to contact me directly.

Sincerely,

Mr. J. Johnstone

Principal
