

MCMATH SECONDARY BOAT CRUISE

DATE: Friday, May 25, 2018
DRESS: smart casual (a sweater or jacket is a good idea to stay warm on deck)
ADDRESS: Dock B, Plaza of Nations Marina,
750 Pacific Boulevard, Vancouver

TIME: **6 pm** boarding. The *Queen of Diamonds* will depart at 6:30 pm sharp. Please note that we cannot wait for latecomers. The boat will return at 9:30 pm.

Students are responsible for transportation to and from the boat. Give yourself lots of time to get there as traffic is often busy at this time in the evening. If you are driving, pay parking is available in the Plaza of Nations parking lot (\$3/hour cash or credit card).

As this is a school function, all school rules apply. We expect our students to demonstrate PRIDE behaviour and make good choices. To make sure everyone is safe on board, students will be thoroughly checked prior to boarding by the security staff of the charter boat company – please don't bring any food, beverages (even water), or items that are not appropriate for a school function (no vapes, etc). Security will also be on the boat to supervise along with our school staff – administration and volunteer teachers. School supervision ends when the boat returns at 9:30 pm. Please make sure you have a safe plan to get home.

We're looking forward to a fun evening cruising around English Bay. There will be finger food to enjoy on the boat (bun-wiches, pizza, chicken wings, veggies and dip, chips and salsa, mini sausage rolls, and dessert slices), unlimited pop, and lots of dancing music!

Please see a detailed map on the next page ...
