*** GRADUATION NUMERACY ASSESSMENT (GNA)**

The Graduation Numeracy Assessment for Grade 11 students is either Monday, Jan 25th or Tuesday Jan 26th. For these two days, because of the number of students writing the assessment, some senior classes will be on-line. Other classes will be in-person with a small number of students switching days. The list of senior classes and their format can be found by [clicking here](#). Students have the details from their teachers already.

CRUSH CANS

Student Council is selling Crush Cans to celebrate Valentine’s Day! Send a crush can anonymously to let someone special know that you care. Fill out an order form found in classrooms or [click here](#) to print out the form. Details and updates can be found on @mcmathstuco on Instagram as well as the StuCo website. Be sure to place your order by February 4th!

Orange flavour: Friendship 🧡

Purple flavour: Crush 💜

Pink flavour: Love 💕

AT RISK INTERIMS

At Risk Interims were emailed out last week for students who are at risk of failing the course. If you received an interim for your child, please go over it with them so that they may finish the last two weeks of the quarter on a positive note.

PAC MEETING – JAN 26TH

Parents of all McMath students are invited to attend our PAC meeting. Our meeting will be via Zoom. If you are interested in joining us for the meeting, please [click here](#) and fill out the form. Thank You!

SNOW?

Snow may be upon us now and we wanted to remind you of our procedures for safety. Please note: McMath will be OPEN unless the Richmond School District determines it best to close schools. If that happens, info will be on our website, the school district website and on the radio. Info will be posted by 6:30 am. Please don’t phone the school; it’ll be much faster to check the website or listen to the radio. Remember, if there is no info, school is open.

If snowfall begins while school is in session, in most circumstances, schools will remain OPEN until the end of the school day. If schools are open, and you wish to keep your child home due to weather conditions, you may do so. Please let your school know of this decision.

Parents/guardians are responsible for their child's safe travel to school. If possible, we encourage parents to walk their children to school in poor weather conditions.
