### **AT RISK INTERIMS**

At Risk Interims have been emailed home on Friday, April 9<sup>th</sup>. If you received an interim for your child, please go over it with them so that they may finish the last two weeks of the quarter on a positive note.

### **ASSISTANCE WITH CLASSWORK**

Teachers are your first contact. If a student needs assistance with classwork, please contact the teacher directly. Some of our students also receive assistance from our Learning Strategies teachers; they continue to be available to provide help when needed. Also, our Counsellors and Admin are ready to help support students. Please let us know.

### **SAFETY PROCEDURES**

Our students continue to do a great job wearing masks and sanitizing their hands. Thank you all for attending to the Health Declaration each day and staying home when sick. Some students have found this optional app to be very useful:

Our grade 8 and 9 students are here over lunch and should be in their specific cohort area inside the building or safely distanced from friends in different cohorts outside. Please remember, Grade 8 and 9 students should remain on school grounds unless a parent has emailed permission for their teen to go home for lunch. Thank you for supporting all our safety procedures!
