FIRE UPDATE

The fire that happened on Nov 28 due to the high jump mat igniting has caused a lot of damage, yet we are very thankful no one was hurt. The floors in both Gyms need to be replaced because of water damage and the entire area thoroughly cleaned of the smoke residue. We hope to be back in the Gyms sometime in the latter part of January. The PE Dance unit will take place in the Rotunda starting Monday. Please see our website for continuing updates.

Our elementary school and secondary school friends are all helping out with Gym space for basketball practices and games. Please see the calendar above for adjusted game locations this week. We are still finalizing practice space; this will be communicated to coaches very soon. Thanks to everyone for their patience and cooperation!

FOOD DRIVE: DEC 3-6th

Hunger can affect any one of us at any time. That's why it's so important to channel our community's energy to help each other in times of need. To help out with the Richmond Food Bank, we will be collecting non-perishable food items and money donations. Students can drop off their donations to their Period 1-1 class. Every single donation helps, and together we hope our combined donations will make a real difference for those in need.

BAND CONCERT: DEC 4th

We invite parents and members of the community to come and listen to our wonderful band concert. Our students have been hard at practice to prepare for this special evening. We hope to see you there at 7:00 pm in the rotunda.

GRAD FRIENDSHIP PHOTOS: DEC 3-4th

Grad group photos will be taking place in the rotunda on Monday and Tuesday from 4:30 -8:30 pm. Please book your group sessions on the Artona website.
