WELCOME BACK

Welcome back! We hope that each of you had a wonderful break and enjoyed special time with friends and family. Time away from our everyday tasks can be remarkably restorative. We are confident that, as always, you return to your class with renewed enthusiasm and vigor. Just a reminder that the warning bell rings at 8:15am but students can enter the school before that.

GYM UPDATE

Things are moving along in the gym. The subfloor is in and the hardwood is here and ready for installation. January will be busy getting us in game-ready shape. Thank you again to everyone for being so accommodating.

PRIDE GOALS IN 2019

As we enter a new calendar year, all students have the opportunity to set new goals. We continue to challenge students to set high expectations for themselves and then to demonstrate determination by striving for these goals. One goal that we continue to focus on for all students is arriving to class on time. Please help us to reinforce this goal so we can start off this new calendar year with **success!**

LEARNING CENTER—AFTER SCHOOL SUPPORT

The Learning Center is open after school on Day 1 for extra student support. This is a great way for students to get some extra support and to start the year off with structure and discipline. We encourage students to take advantage of these opportunities for extra support!
