**PRIDE GOALS IN 2019 (REPEAT)**

As we enter a new calendar year, all students have the opportunity to set new goals. We continue to challenge students to set high expectations for themselves and then to demonstrate determination by striving for these goals. One goal that we continue to focus on for all students is arriving to class on time. Please help us to reinforce this goal so we can start off this new calendar year with **success!**

**LEARNING CENTER–AFTER SCHOOL SUPPORT**

The Learning Center is open after school on Day 1 for extra student support. This is a great way for students to get some extra support and to start the year off with structure and discipline. We encourage students to take advantage of these opportunities for extra support!
