PRO D- JAN 28TH

A friendly reminder that there's a Pro D on Jan 28th. The school will not be open during this day, so please plan accordingly.

NEW ROTATION-JAN 29TH

Please be aware of the new rotation happening on Tuesday. The new schedule will be 3412. Students will be starting the day with their 2-3 class.

COLLABORATION DAY-JAN 30TH

During Collaboration Day, classes for students will begin at 9:40 am and end at 2:48 pm. This is a valuable time for our staff and will positively influence student learning and success. Thank you for your support! Students are welcome to come to school to quietly study or work independently in the rotunda or may choose to arrive at 9:35 am. All students should be at school by 9:40 am.

INTERIM REPORT-JAN 31ST

The second Interim will be sent home with students on Thursday, Jan 31st. This will give parents valuable information on how your child is doing as we approach the halfway mark. Please take time to review the information, especially the comments, as some teachers have included specific information and may have requested that you book a parent-teacher conference.

PROGRAM PLANNING EVENING - JAN 31ST

Parents are invited to learn about course selection for their students. Grade 7 Parents will have an opportunity to tour the school after their presentation with our Leadership students. As space is very limited (our Gyms are not yet available), we kindly ask that parents come *without* students. Grade 8-11students will receive the same course selection information on February 8th.

EMERGENCY DRILLS- FEB 1ST

The safety of your child and all children in our schools, as well as the safety of the school staff and support personnel, is very important to us. To maintain a safe environment for our children to study and learn, it is necessary that we practice our emergency and crisis response plans by having drills designed to exercise our procedures. On Friday, Feb 1st, students will be participating in our lockdown, earthquake and fire drill.

PARENT TEACHER CONFERENCES:

We will be opening the online booking system for parents to schedule appointments after interims are sent home on Thursday.

COYOTE SIGHTING

Last week, a coyote was seen along our nearby greenbelt. While this is rare, we do coexist with wildlife in our community. If you encounter a coyote, make yourself seem large and be loud to scare it away.
