WELCOME BACK

Welcome back from Spring Break! We hope you all had a chance to enjoy at least a bit of time away from your work responsibilities. It is hard to believe that we only have about three months left, and we know that these are often the busiest times of the academic year. Looking forward to a great last few months!

EUCLID MATH CONTEST – APRIL 3

The Euclid Mathematics Contest is an opportunity for students to have fun and to develop their mathematical problem-solving ability. Good luck to all the grade 12 students writing the contest this year.

SCHOLARSHIPS

As we approach the final months, Grade 12 students are encouraged to start thinking about scholarships. More information on this will be sent out in the very near future.

TERM 2 REPORT CARDS

Term 2 report cards were posted on March 14th. If you need help with the log in process, please give us a call and we will be glad to help you out.

LEARNING CENTER–AFTER SCHOOL SUPPORT

This is a great way for students to get some extra support and to start the third term with structure and discipline. We encourage students to take advantage of these opportunities for extra support!
