CORE COMPETENCIES REFLECTION -JUNE 10-14

Core Competencies: Students have been working on their skills in the areas of Communication, Thinking, and Personal and Social Responsibility throughout the year in all of their classes. This week, students in Grades 8-10 and 12 will complete a Self-Reflection form that will go home with them next week on the last day of regular classes, June 20th. If your child is in Grade 11, he/she has already completed this online. Please ask your child for a copy. [Click here](#) for more information.

OUTSTANDING FEES

A list of students who still have outstanding school fees will be posted outside the office windows. If your name is highlighted in yellow, that means you have purchased a yearbook. Outstanding fees must be paid to receive your yearbook. All outstanding fees must be paid by 3:00 pm on June 12th. Any questions, please see the Business Assistant, Ms. Robinson.

YEARBOOK

If your child has purchased a yearbook, his/her name is posted on our trophy cases in the front hallway. We encourage students to check for their names early this week to avoid problems on Friday. If your child's name is missing, please see our Business Assistant early this week to determine the problem. Student who paid for a yearbook *and* have no outstanding fees will receive their yearbooks on Friday in Homeroom.

VALEDICTORY CEREMONY- JUNE 12

Graduation is approaching, and the ceremony is scheduled to take place at 7:00pm on Wednesday, June 12 at the UBC Chan Centre. For students, this event marks a huge milestone in their life journey. For parents and guardians, it is a moment filled with emotion and pride. The Ceremony begins at 7 pm, but we have advised students to leave Richmond by 4:30 pm at the latest. We want to give you time to enjoy pictures in the Rose Garden and be relaxed for the Ceremony (remember Boat Cruise traffic?).

GRADUATION NUMERACY ASSESSMENT (GNA)

The GNA is a required component towards graduation. The exam uses real-world situations where students are solving problems using the 5 numeracy processes: interpret, apply, solve, analyze and communicate. All current Grade 11 students and any students in Grade 12 who have not yet written the exam are required to write it during June 24-26. A detailed schedule will be posted up this week. Please remind your child to check to see when they are writing the exam.

LEARNING CENTER--AFTER SCHOOL SUPPORT This is a great way for students to get some extra support and to finish the third term with structure and discipline. We encourage students to take advantage of these opportunities for extra support!
