

Sept 9-13, 2019

Monday Sept 9	Tuesday Sept 10	Wednesday Sept 11	Thursday Sept 12	Friday Sept 13
Day 2 Workbook Day	Day 1	Day 2	Day 1 Grade 8 Parent Evening @ 7 pm	Day 2

Parking drop off / pick up:

The safety and well-being of your children is our paramount duty and we are committed to keeping all students, staff and guests safe. In order to do this, we encourage student to be active and walk or bike to school. If your child needs to be dropped off or picked up, please move your car forward when space becomes available. This will help other cars get into the parking lot. Thank you.

Workbook Day-Sept 9th

Monday is Workbook Day for Grade 8-11 students.

Some of our teachers request that students have workbooks for their classes. Teachers would have let students know in class this week. We'll expedite the process by calling students to the Rotunda stage in small, alphabetical groups beginning in first period Monday.

It would help greatly if you could send a cheque for the exact total price of the workbooks your child needs (or exact cash). Click [here](#) for the price of each workbook.

As always, if finances are a problem, please contact Mrs. McFadyen. Thank you so much.

Grade 8 Parent Teacher Evening – Sept 12th

We're pleased to have 262 Grade 8 students join us this year from 21 different elementary schools. They're off to a good start with assistance from our Leadership students on the first day last week.

This Thursday, September 12th at 7 pm, we'll have an evening just for parents to learn about Grade 8 expectations and how to help your child succeed. We will also share more information about Grade 8 Camp (Camp Stillwood, November 6-8th). Hope to see you Thursday night!

Photo Day - Sept 17th

It is important that all students have their photo taken so that they will receive a free go-card and their photo will be included in the yearbook. Students who want to order photo packages may do so by following the instructions on the photo brochure.

PAC Meeting – Sept 17th

The first PAC Meeting of the year is next Tuesday at 7pm in the School Library. All parents are invited and encouraged to come on out, meet other friendly parents, learn what's going on, and how PAC contributes to our strong community. We look forward to seeing you on Tuesday.
