### **AT RISK INTERIMS – JUNE 14**

Interims will only be emailed for students who are not engaging, doing poorly, or receiving an "I"(incomplete) for Q4. Please consult the classroom teacher if you have any questions.

### **VALEDICTORY CEREMONY**

We are looking forward to releasing our 2021 Video Valedictory link on **Wednesday , June 16th at 7pm**. Congratulations to all of our graduates, and best wishes in the years to come. We recommend that students gather with their families and connect remotely with their friends to watch the Video Valedictory. A video download link will be sent to all of our graduates at a later time.

### **GRADE 10 NUMERACY ASSESSMENT – JUNE 17&18**

The Graduation Numeracy Assessment for Grade 10 students is either Thursday, June 17<sup>th</sup> or Friday, June 18<sup>th</sup> . We encourage students to go online and practice the sample exam before their scheduled writing time. Please visit our website for more information. Good luck to all of our Grade 10 students!

### **CLASS WORK**

With only two weeks of 'classes' left, it's important that students remain focussed and ensure they complete the learning opportunities assigned. If anyone is uncertain of what they need to complete, they should email their teachers directly.

### **AWARDS**

Although we were unable to hold an Awards Ceremony this year, we still want to recognize our students who have worked hard and earned Subject Awards and Major Awards this year. More information on this will be given out next week.

### **STUDENT WELLNESS TIP**

It's important to keep up-to-date about health and safety news. But constantly consuming media can make us feel more anxious, less in control, and less safe. Try limiting your media intake to certain times during the day (e.g., after breakfast), a specific length of time (e.g., 30 minutes twice a day), or certain days (e.g., weekdays only).
