STUDENT WELLNESS TIP

Student Wellness Tip It is always important to look after and take care of yourself, even more so during this extraordinary time of COVID-19.

Get off to a good start!

After a two week break, getting back into your regular routine is important to meet the demands of school and family.

- Get enough sleep by following a good sleep schedule
- Eat healthy and well-balanced meals
- Exercise – it can be as simple as going for a walk
- Schedule time for school work, breaks, social time
- Unplug – build in time each day to take a break from electronics

GR 10 GRADUATION LITERACY ASSESSMENT (GLA) – APRIL 13TH AND 14TH

On April 13th and 14th, all Grade 10 students will write the provincial GLA. The GLA is not based on a specific course, but on learning across multiple subjects. An email was sent to all Grade 10 parents and students last week regarding this. For more information, please visit our website.
