GRADE 7 DAY (MAY 21)

We are looking forward to hosting our incoming Grade 8 students on Wednesday, May 22nd. Our Leadership Students will welcome our newest students to the school, engage them in some fun "getting to know you" activities and a tour of the school. Grade 7s will get a chance to meet the staff members and get a glimpse into what high school life will be like in September. This day will conclude at noon with a pizza lunch.

The Grade 7 event will start at 8:45am and will finish at 12 noon, it is up to the individual feeder school as to how students are expected to arrive and depart from McMath.

A heartfelt welcome to the McMath Secondary School graduation class of 2024!

GRAD BOAT CRUISE (MAY 24)

We will be boarding the Queen of Diamonds at 6pm and the boat will depart at 6:30pm sharp for a 3 hour cruise. Give yourself lots of time to get there as traffic is often busy at this time in the evening. If you are driving, pay parking is available in the Plaza of Nations parking lot (\$3/hour cash or credit card). Students are responsible for transportation to and from the boat. We should be back by 9:30 pm.

As this is a school function, all school rules apply. We expect our students to demonstrate PRIDE behaviour and make good choices. We're looking forward to a fun evening cruising around English Bay.

LEARNING CENTER—AFTER SCHOOL SUPPORT

This is a great way for students to get some extra support and to finish the third term with structure and discipline. We encourage students to take advantage of these opportunities for extra support!
