AUDIO & VIDEO

SMARTPHONE RIG KITS

2 x Smartphone Rig, LED light, & mic kits

Everything you need to create quality movies with your smartphone!

- Two-handed rig provides stability while moving.
- LED light and microphone improves picture and sound quality.

USB MICROPHONES

2 x Blue Yeti Microphones

1 x Blue Snowball Microphone

With excellent sound quality, both mics are great for voiceover recording and podcasting.

- iPhone adapter available

LAPEL MICROPHONES

2 x Lapel (Lavalier) interview mic set

2 x single lapel mics

Ideal for interviews, these small corded mics clip to your shirt or collar and plug into your device.

*Adapters available to fit all devices

DIGITAL CAMCORDER

1 x Canon Vixia HF R800 Digital Camcorder

- Zoom Ratio: 57x Advanced / 32x Optical / 1140x Digital
- Image stabilization

ON EAR HEADPHONES

4 x JLab corded noise cancelling headphones

ACCESSORIES

TRIPODS

- Available in a variety of sizes
- Phone adapters also available

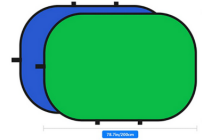

GREEN SCREENS

1 x large portable green screen (frame & fabric)

1 x pop up green/blue screen

Change the background of your video using a green screen. Edit recorded video using free programs such as iMovie or Shotcut.

PHONE / TABLET ARM

1 x UGREEN articulating arm for smartphone or tablet

Take top-down photos or videos without holding your device or using a tripod. Simply secure the clamp on the edge of a table, place your phone or tablet in the holder and adjust the arm to the angle you need.

OTHER TECH AVAILABLE

LOGITECH CRAYON

1 x Logitech Crayon

The crayon works just like an Apple pencil. Draw, sketch, or scribe on an iPad.

- * compatible with iPad version 6 or newer
- * does not work on iPhone

*** VARIOUS CABLES, ADAPTERS AND DONGLES ALSO AVAILABLE**
