Still looking for a Fundraising Chair – someone to coordinate soliciting donations and putting together some initiatives to raise funds to off-set hard costs for the event.

Bottle drive – donations can be taken to Return It using the phone number ???. So far we have generated around \$60

Possibility to do a fundraiser in conjunction with an indigenous coffee company

Anyone that hasn't signed up for a committee can do so at any time. Still looking for help on a few committees to support the chair.

Committees are encouraged to meet outside of regular update meetings to plan/complete tasks.

A list of items that could be lent/borrowed/bought will be provided to help with gathering items and hopefully reducing costs.  
Will need help leading up to the event to make decorations.

Entertainers have been hired. Still looking for an air brush tattoo/henna artist.  
Need 3 parent volunteers for night of event for casino area.
- Transportation – Coach buses are booked
- Security – no update
- Food – update for next meeting
- Donation and Fundraising – no update

Discussion of the idea of purchasing an item (tshirt, water bottle, coffee mug, gym bag) as a gift for each attendee.

Idea to approach other schools to discuss the idea of trading volunteers. Hugh Boyd's event is Sunday and we may be able to coordinate having McMath parents support their event in exchange for Hugh Boyd parents volunteering for McMath DAG. Trudi to follow up with Hugh Boyd to float the idea.
