DROP OFF AND PICK UP CONGESTION

At the PAC meeting this past week, Mr. Johnstone presented concerns about caregivers parking or stopping in areas that are causing problems increasing congestion and most importantly causing access problems for the school bus. Please **do NOT** stop or park on the west side of the driveway entrance. In addition, **do NOT** use the handicap parking spaces for pick up and **do NOT** use the west parking lot. This clogs the access to the bus see below. See image below and thanks for your cooperation.

BE SAFE ON YOUR WAY TO SCHOOL!

This fall, we have had three students on bicycles hit by a vehicle, two were on No. 1 Road and the third was on Garry Street. All three were a hit and run. Parents and Caregivers, please speak with your Wildcat about being a safe on the roads and the sidewalks. Those who drive their Wildcat to school, best to drop off on Garry Street, and please make sure you are driving slow and not doing U-Turns. Thanks for your cooperation to keep everyone safe.

MCMATH STUCO FOOD DRIVE

Hey Wildcats! Thank you for all your support with this year's Student Council Food Drive. We collected over 1000 items of food and hygiene products and a record-breaking total of \$3160.90 of donations. We were close to hitting the target for our 1-Can Challenge. We raised, in one day, the equivalent of 900 cans of food. Let's do better next year and let's hit our target and shave Mr. Johnstone's head. The class that generated the most points is Ms. Lim's Block A Math 12 class. They win a pizza party for their efforts. And a huge thank you to Mr. Sharma who did not have an A block class and still fundraised over \$900 for the Food Bank.
