Consent Education for Teens

FEB 28, 2024

Did You Know?

- Youth under the age of 17 make up the majority of sexual assault cases in Canada
- The majority of Canadians do not understand consent
- 1/3rd of the time, sexual offences against youth are committed by other youth

- Consent education is a requirement of the B.C. Curriculum Competencies
- We provided this education to all Richmond secondary schools using a thought-provoking and interactive approach

What we will cover:

- Consent as the freedom to provide enthusiastic permission
- Sexual exploitation and coercion
- How to incorporate consent as a life skill
- Consent challenges and peer pressure
- Digital consent with intimate image sharing
- How to teach teens to gracefully accept rejection
- Empowering teens to stand firm in their boundaries
- Legalities and tools
