Please **check to make sure that your course requests are correct.** The timetable will be built based on all students' course requests currently in the computer. Changes will be difficult to make once the timetable is built so it is important that you check your course requests for accuracy.

All students will receive a list of their scheduled courses in August.
- (3) Course requests are prioritized to students who are currently in the grade level of the course requested (for examples, a Gr 12 student requesting English 12 is a higher priority than a Gr 11 student requesting English 12).
