2025-2026 GRADE 12 COURSE REQUEST PLANNING WORKSHEET
Enter course selections ONLINE in MyEducation BC from February 5 – 19, 2025

PROGRAM PLANNING NOTES

- For more information on the courses that are offered, please refer to: https://mcmath.sd38.bc.ca/students/program-planning/courses
- Timetabling (the number of sections of each course) is based on the course requests made by students in February.
- Choose your courses responsibly because these choices determine the master schedule. Once the timetable is built, there is very little room for change.
- Students who select above their grade level, be aware that priority is given to students in higher grades.
- Once you have identified your 8 courses and alternatives, you must load them into your MyEducation BC student account online. See instructions below. Include any notes for your counsellor, such as intent to take a Summer Learning course and/or online course, transfer to another school, etc.
- Remember, these are course requests only and do **not** guarantee placement.
