Enter courses
online in MyEd
from **February**
9-19, 2025

****Enter course selections ONLINE in MyEducation BC from February 5 – 19, 2025****

- For more information on the courses that are offered, please refer to: <https://mcmath.s3d38.bc.ca/students/program-planning/courses>
- Timetabling (the number of sections of each course) is based on the course requests made by students in February.
- Choose your courses responsibly because these choices determine the master schedule. Once the timetable is built, there is very little room for change.
- Students who select above their grade level, be aware that priority is given to students in higher grades.
- Once you have identified your 8 courses and alternatives, you must load them into your MyEducation BC student account online. See instructions below.
- Remember, these are course requests only and do not guarantee placement.

English, French Immersion, OR an ELL program based on the projected 2025-2026 ELL level.

[illegible]

YOUR GRAD PLAN

- 80 credits *minimum* (4 credits/class X 20 classes)
- 13 Required courses
- 7 Electives courses
 - 4+ at Grade 12 level
 - 1+ Fine Arts/Applied Skills
- Career Education/Career Life Connections
- Indigenous-focused
- Required Grad Assessments: GNA 10, GLA 10, GLA12

GRADUATION REQUIREMENTS

ENGLISH	Language Arts 10	4	
	Language Arts 11	4	
	Language Arts 12	4

Math Options for Students

Workplace Math11

- Satisfies graduation
- Financial literacy
- Rate of change
- Probability & statistics in various contexts
- interpreting graphs in society
- 3D shapes

Foundations Math11

- Satisfies graduation
- Financial literacy
- Logical reasoning
- Optimization
- Systems of equations
- quadratic functions
- application of statistics
- *for programs not requiring Calculus

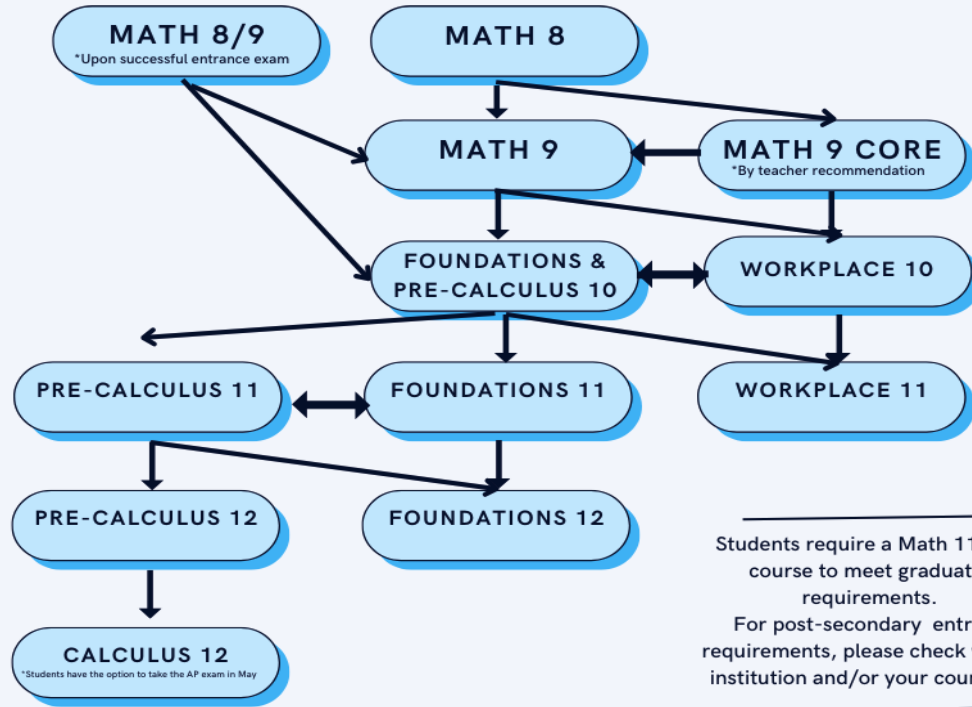

Pre-Calculus Math11

- Satisfies graduation
- Financial literacy
- absolute value, radical, quadratic, and rational equations and inequalities
- polynomial factoring
- sequences of series
- trigonometry
- *for programs requiring Calculus

FAQ: Math Pathways

** Not designed to provide different levels of difficulty. Minimal overlap between courses.*

McMath Math Courses

Students require a Math 11 or 12 course to meet graduation requirements.

For post-secondary entrance requirements, please check with the institution and/or your counsellor.

Programs such as Engineering, Sciences and Business

Programs such as General Arts, Social Sciences and Education

Majority of Trades & Workforce

MCMATH ONLINE COURSES

RVS Registration will be required for McMath ONLINE options of Career Life Education 10, Choral Music 10-12, and Outdoor Education 11/12 ... later in May.

NEW COURSES

****PSYCHOLOGY 12***

- available to Grade 11's and 12's
- does **NOT** meet SS 12 grad requirement

****CHORAL MUSIC 10 - 12***

- Grade 10 – 12 = off-timetable
(9th course for Grade 10's)

**Off-
Timetable
Courses
(X block)**

A course outside regular schedule and is a 9th course (Gr. 9 & 10) or can be time in lieu (Gr. 11–12):

- ▶ Peer Tutoring 11/12
- ▶ Leadership 11/12
- ▶ Outdoor Education 11/12
- ▶ Career Life Education (CLE) 10
- ▶ Choral Music 10-12
- ▶ Work Experience (WEX)

Work Experience (WEX) 11/12

WEX connects students to apply classroom learning to outside of school, hands-on Experience, prepares and transitions students from school to a workplace environment.

1. Identify a career focus or goal. Example: carpenter, doctor, accountant, social worker, artist, real estate agent
2. Select ONE focus area that best relates to your career plans.
3. Complete 30 hours course work + 90 hours of work placement in chosen focus area.

Health Sciences & Biotechnology	Information Technology & Computers
Law & Law Enforcement	Accounting & Financial Management
Technology in Business	Marketing & Business Management

MYTH BUSTERS!!

Acceleration , Priority, Repeats & Upgrading

- ▶ Acceleration – faster is NOT better, no competitive advantage, demonstrate rigour and consistency by completing one grade level per year, taking courses 2 years ahead in a subject level is not recommended
- ▶ Priority – grade -level or older given priority in courses, course order
- ▶ Repeating & Upgrading – not able to do this at McMath
**Unless the course is a requirement for grad*

STUDY BLOCKS:

- Grade 12's can choose 1 Study Block.
- exceptional study can be **applied** for in Grade 11, and may or may not be approved.
- Choose a full course load of 8 or more courses at McMath. Online courses ARE IN ADDITION to your schedule and do not replace a McMath course or grants a Study.

Options??

Post –Secondary & Train in Trades

Post-secondary “PRIMER” :)

<u>College</u>	<u>Regional University</u>	<u>BC University</u>
Langara/VCC/Douglas	Kwantlen/Capilano/BCIT	UBC/SFU/UVIC/UNBC/TWU
Certificate	Certificate	Certificate
Diploma	Diploma	Diploma
Degree (Few)	Degree (More)	Degrees
University Transfer (LOTS)	University Transfer	n/a

University OR College ??

Factors to Consider:

- ▶ Tuition Costs
- ▶ Class size
- ▶ Programs/Co-op
- ▶ Flexible admissions process
- ▶ Transfer credits
- ▶ Entrance scholarships
- ▶ International programs
- ▶ Support Network
- ▶ Readiness to leave home

Academic Requirement:

General College Admission

1. [English Language Requirement](#) – Eng 12, 50%

2. **One** or **all** of the following:

Successful completion of a BC secondary program (Grade 12) or the equivalent;

Be at least 19 years of age by the first day of the first semester of attendance; or

Successful completion of an ABE (Adult Basic Education)

UBC Admissions – NEW SEPT 2026

UBC looks way beyond general requirements. **Holistic Process**

There are simplified or NO Grade 11 requirements for many faculties.

*General & Degree-Specific requirements

PLUS Personal Profile (achievements & experiences)

Ex. Faculty of Commerce >> no specific Gr. 11 / subjects: English, Math, Socials

Ex. Faculty of Science >> Physics 11 & Chemistry 11, Eng 12, Pre-Cal 12, one Sc 12

Blog - Course selection tips for Grade 11's:

<https://you.ubc.ca/applying-ubc/blog/admission-requirements/british-columbia-and-yukon-new-grade-11-requirements-starting-september-2026/>

SFU Admissions

SFU evaluation of all approved Grade 11 and 12 courses, with greater emphasis on approved List A courses (**minimum 5 Grade 12 courses**). This includes English 12.

Example – [Faculty of Arts & Social Sciences](#)

English 12 (70% min.)

Sc 12 OR Math 12

SS 12 and additional List A course OR Lang 12

Any additional List B course

Math 11 (60% min.)

Science 11

English 11

Socials 11 or 12

Post-Secondary Requirements

***YOU must review
admissions requirements
online.***

***Requirements vary
depending on institution.***

****Requirements WILL
change over time!***

- In person: Tuesday & Friday & alternate Wed

A few
things to
consider...

Program Planning Process

- Step One:
 - Read about grade 10 and 11 courses online at mcmath.sd38.bc.ca
 - Explore University/College Admission Requirements for Post Secondary Programs/Career Programs OR research other options for after you grad
 - **Discuss course options with your parents, counsellor, teachers & friends**

More Important Points...

- ▶ Going to Academic Summer School?
- ▶ Taking an Online Summer Course?
 - ▶ When McMath Course Planning, request the **next level** course or a different course, not the same course you plan on taking online/summer. If plans change, please inform your Counsellor.

A close-up photograph of a hand holding a blue pen, poised to write on a notebook. The hand is wearing a grey, textured sweater. The background is blurred, showing a white surface.

Summer School

July – Aug 2025 Full- Credit

1. Finalized program details available on “Continuing Education” website (ce.sd38.bc.ca) in mid-April 2025.
2. Online registration begins on various dates in May 2025.
3. Please indicate in "Notes to the Counsellor" if you plan to sign up. **Choose next appropriate course for September.**
4. Over to you to sign up

A blue vertical bar on the left side of the slide, featuring a repeating pattern of white icons including a document, envelope, speech bubble, clock, pie chart, smartphone, tag, and checkmark.

MyEd Password Problems?

Email: mcmath@sd38.bc.ca

Important Dates

- **Feb. 6 - 19:** Sign-up for classes on MyEd student portal
- **Future changes:** Course verification and opportunity to request changes if needed end of Semester 2
- **Gr. 12 Caregiver Information Night:** in September with more information geared towards post-secondary, scholarships, etc.
