PERSONAL LEARNING TIME

We encourage students to review the PLT schedule posted on the McMath website to plan their PLT on Tuesday and Thursday. PLT is designed to provide extra learning support for all students in all subject areas. All students are expected to use this gift of time wisely and make choices that will benefit their learning. [Click here for the May-June PLT Schedule.](#)

ATTENTION GR. 12'S!

At the end of the summer, Dogwood graduation certificates and other important documents will be mailed to each student's home. To ensure your documents make it to you and do not get lost in the mail, please confirm your address with the school office via e-mail at mcmath@sd38.bc.ca.

WATER ACTIVITES

This is a gentle reminder to our students that water activities, such as water balloons and water pistols, are not permitted at school. Students are reminded not to bring these items or any like them to school at any time. We must ensure student and staff safety, as well as maintain our school building, at all times. Thank you for your cooperation.

DAG OVERNIGHT PARENT VOLUNTEERS NEEDED URGENTLY!

Dry After Grad is extremely short on the necessary numbers of **overnight parent volunteers** to bring the 2025 edition of DAG to fruition.

DAG "overnighters" help with food, entertainment, and serve as event hosts. Without these necessary positions filled, our 2025 DAG is in jeopardy. Typically, Gr. 10 and 11 parents help overnight, but if your Gr. 12 doesn't mind your volunteering, then we'd love to have you join us.

Helping overnight at DAG is a lot fun. The hours pass quickly. You will get to see the kids having a great time AND there will be all the food, coffee, and treats your hungry heart desires at 2am!

Our 2025 DAG organizing committee and all Grade 12s thank you! [Click here](#) to sign up.

STUDENTS WITH EMERGING/INCOMPLETE PROGRESS/AT RISK INTERIM REPORTS

Final evaluations of student learning for Semester 2, will be at the end of June 2025. Prior to the end of the semester, a small number of students will receive an "At-Risk Interim" on or before **May 23, 2025**, because they are not meeting expectation in their course and are at risk of not meeting the Course Standards. These "At-Risk Reports" will detail the learning that must be demonstrated to successfully meet the "Ministry Standards" for the course and thus successfully complete the course. The expectation is that students will engage in the steps necessary to remove their incomplete standing. Some teachers may have already communicated incomplete progress with students and parents.
