

McMath Student Vehicle Registration Form

Student vehicles must be registered and approved to park on school grounds during the school day.

Students may only park in the designated parking lot located on the east side of the gyms.

Please note that the parking lot located along the west side of the school is for staff use only.

By signing this form, the student driver acknowledges their understanding and agrees to follow all rules and regulations associated with being a driver under the graduated license program in British Columbia. Student drivers completing this form also acknowledge that unsafe driving practices may result in the removal of parking privileges at McMath.

Thank you for doing your part to keep our school grounds safe for all students, parents/guardians and staff.
