---

Grads, we need you to complete a very brief online grad gown survey by December 30, 2025. Grad gowns need to be pre-ordered and we need your sizing information. An email was sent to you and your parents on Friday from McMath. Please use the link in that email to access the online survey and enter your information. If you have any difficulties or questions, please see Mr. Banta. Thank you.

The week of January 12<sup>th</sup> – 16<sup>th</sup>, 2026, will be the next grad assessment session for students who must write the GNA 10, GLA 12 and LTF 12. A schedule of when students are scheduled to write their assessments is posted outside the office and on the wall outside of the library. Before winter break, students are asked to check the schedule for their name. Please note the date and times of your assessments. All grade 10 students should be registered for the GNA 10, all grade 12 students should be registered for the GLA 12 and all grade 12 students in French immersion should be registered for the LTF 12.
