WHAT IS THE ROLE OF THE SCHOOL COUNSELLOR AT MCMATH?

COUNSELLORS ARE HERE TO SUPPORT

Personal
Social & Emotional
(friends, family,
mental health)

School
Courses
Learning Support
Graduation

Future
Goal Setting
Post-Secondary
Career Planning

Most students see their counsellors during PLT, break, lunch, before and after school, or sometimes during class.

If something is really bothering a student, we encourage students to come down right away to the Counselling Centre.

PROGRAM PLANNING TIMELINE

Course selection requests are reviewed

Number of blocks are calculated using class size limits and cross-referenced with available staffing

Number of blocks for courses is finalized to meet the total blocks a school receives and available staffing

Students can request changes, but only with what is available

No new blocks are added at this time

| February | March-April | April | April-May | May-June | June |

Current grade 8-11 program planning presentations and support sessions

Blocks are provided by the school district to each school based on the number of projected students enrolled

Timetable is built using student course requests, available staffing, and number of blocks

WHAT DOES THIS MEAN?

The timetable is built based on what students request NOW. Requests after the due date may not be possible as the timetable is already built.

Take the time NOW to research courses, talk to teachers, talk to your counsellor, talk to the career advisor, and look at prospective post-secondary options and requirements.

Include alternative courses! We cannot guarantee you will get your first choice. A well-built timetable can only satisfy approximately 80% of all student requests.

Course Changes

JUNE

Preference changes will be accepted, but not guaranteed.

End of AUGUST

Course changes for summer school completion or incompletion only. **NO** preference changes.

SEPTEMBER ONWARDS

Counsellors will continue to work on waitlists and missing graduation requirements. **NO** preference changes in Semester 2 either.

PROGRAM PLANNING NOTES

- For more information on the courses that are offered, please refer to: https://mcmath.sd38.bc.ca/students/program-planning/courses
- Timetabling (the number of sections of each course) is based on the course requests made by students in February.
- Choose your courses responsibly because these choices determine the master schedule. Once the timetable is built, there is very little room for change.
- Students who select above their grade level, be aware that priority is given to students in higher grades.
- Once you have identified your 8 courses and alternatives, you must load them into your MyEducation BC student account online. See instructions below.
- Remember, these are course requests only and do not guarantee placement.

STEP 3: ENTER YOUR COURSE SELECTION INTO MYEDUCATION BC

- Using the instructions on the back side, enter your course selection into your student MyEducation BC account.
- Include any notes for your counsellor, such as intent to take a Summer Learning course and/or online course, transfer to another school, etc.
- *Enter course selections ONLINE in MyEducation BC from February 11 – 22, 2026.*
- *These are course requests only and do not guarantee placement.*
- If you have any questions regarding course selection, do not hesitate to see your school counsellor.

MYED COURSE ENTRY

Student Course Selection-Select Courses

1. Click on the **My Info** Top Tab. Then go to the **Requests** Side Tab. You will see the following screen:

This window has three different sections:

Instructions: Here you will find an overview of the courses and any notes regarding course selections for your grade. These will be similar to the instructions on your course planning sheet.

Requests: Primary requests are your course requests for the next school year. By clicking on the *Select* button on the bottom of your Instructions window you can view the course options for your grade level.

Notes for Counsellor: such as intent to take a Summer Learning course and/or online course, transfer to another school, etc.

2. Click on the **Select** button on the bottom of the instructions window. This will open a pop-up window that has the available course selections for your grade.
   - Courses are sorted alphabetically by department
   - You can scroll through the course options by using the tab at the top of the page

   - You can sort the courses available by description by clicking on the **Course Description** header

   - Select your course choices by clicking on the check box beside the course. When you are done click **OK**

MYED COURSE ENTRY

- After selecting OK you will see your courses in the **Primary Requests** window.

Note: Carefully check your course requests before closing your browser. These are the requests that will be submitted as your course requests for next year.

- If you see an error, click the **Select** button again and make your corrections.
- When all of your course selections are correct hit the **POST** button on the bottom of the window.

Note: Failure to **POST** your course selections will impact the course registration totals and may cause a course to be dropped due to lack of enrollment. Each time you make a change after posting, you must hit post again for the system to pick up the changes.

Learning Strategies Program

- This program provides addition support to help students succeed

- Referral from teachers, administrators, counsellors, family members, and/or students is required

- Teachers will offer direct academic help, learning accommodations, studying strategies, organizational tips, and much more!

- This will replace an elective course

WORK EXPERIENCE (WEX) 11/12

WEX connects students to apply classroom learning to outside of school, gain hands-on experience, and prepare students to transition from school to a workplace environment.

Students complete 30 hours of course work in addition to 90 hours of work placement in a chosen focus area.

Health Sciences & Biotechnology	Law & Law Enforcement	Technology in Business
Information Technology & Computers	Accounting & Financial Management	Marketing & Business Management
