2026-2027 GRADE 10 COURSE REQUEST PLANNING WORKSHEET

****Enter course selections ONLINE in MyEducation BC from February 11 – 22, 2026****

PROGRAM PLANNING NOTES

- For more information on the courses that are offered, please refer to: <https://mcmath.sd38.bc.ca/students/program-planning/courses>
- Timetabling (the number of sections of each course) is based on the course requests made by students in February.
- Choose your courses responsibly because these choices determine the master schedule. Once the timetable is built, there is very little room for change.
- Students who select above their grade level, be aware that priority is given to students in higher grades.
- Once you have identified your 8 courses and alternatives, you must load them into your MyEducation BC student account online. See instructions below.
- Remember, these are course requests only and do not guarantee placement.
