## 2026-2027 GRADE 11 COURSE REQUEST PLANNING WORKSHEET

**\*\*Enter course selections ONLINE in MyEducation BC from February 11 – 22, 2026\*\***

### PROGRAM PLANNING NOTES

- For more information on the courses that are offered, please refer to: <https://mcmath.sd38.bc.ca/students/program-planning/courses>
- Timetabling (the number of sections of each course) is based on the course requests made by students in February.
- Choose your courses responsibly because these choices determine the master schedule. Once the timetable is built, there is very little room for change.
- Students who select above their grade level, be aware that priority is given to students in higher grades.
- Include any notes for your counsellor, such as intent to take a Summer Learning course and/or online course, transfer to another school, etc.
- Remember, these are course requests only and do not guarantee placement.**

### STEP 1: SELECT (✓) A PROGRAM

English, French Immersion, OR an ELL program based on the projected 2026-2027 ELL level.

### STEP 3: ENTER YOUR COURSE REQUESTS INTO MYEDUCATION BC – see instructions below

### Student Course Selection-Select Courses

1. Click on the **My Info** Top Tab. Then go to the **Requests** Side Tab. You will see the following screen:

The screenshot shows the 'Requests' section of the MyEducationBC interface. The top navigation bar includes 'Pages', 'My Info' (which is selected and highlighted in green), 'Academics', 'Groups', 'Calendar', and 'Locker'. The 'Requests' side tab is also selected and highlighted in green. The main content area displays course selection options. At the top, there are buttons for 'Options', 'Reports', and 'Help', and a search bar with a magnifying glass icon. Below the search bar, it says 'Entry mode not available'. In the center, it shows '0 of 0 selected' and 'Build Year'. Below this, a table header row shows 'SchoolCourse > CrsNo' and 'SchoolCourse > Description'. The table body below is empty, stating 'No matching records'. At the bottom of the table, there is a 'Course Request Adjustments' section with a table header row for 'School Course > Number', 'School Course > Description', 'School Course > Department', 'School Course > Grade level', 'School Course > Academic level', 'Type', and 'Comments'. This table also has an empty body stating 'No matching records'. The left sidebar lists other tabs: 'My Details', 'Transcript', 'Current Schedule', 'Contacts', 'Attendance', 'Assessments', 'Notifications', 'Requests' (which is selected), 'Requests Details', and 'Graduation Progress'.

This window has three different sections:

**Instructions:** Here you will find an overview of the courses and any notes regarding course selections for your grade. These will be similar to the instructions on your course planning sheet.

**Requests:** Primary requests are your course requests for the next school year. By clicking on the *Select* button on the bottom of your Instructions window you can view the course options for your grade level.

**Notes for Counsellor:** such as intent to take a Summer Learning course and/or online course, transfer to another school, etc.

2. Click on the **Select** button on the bottom of the instructions window. This will open a pop-up window that has the available course selections for your grade.

- Courses are sorted alphabetically by department
- You can scroll through the course options by using the tab at the top of the page

The screenshot shows a pop-up window for course selection. At the top, there is a search bar with the text '1:10 | YESFL0A' and navigation buttons for 'Select', 'CourseNumber', and 'CourseDescription'. Below the search bar is a table with the following columns: 'Select', 'CourseNumber', 'CourseDescription', 'Academic level', 'Credit', 'Prerequisite', and 'Status'. A single row is visible in the table, showing a checkbox next to 'YESFL0A', the course description 'ELL 1A ENGLISH', 'Regular' for Academic level, '4.0' for Credit, and empty fields for Prerequisite and Status.

- You can sort the courses available by description by clicking on the **Course Description** header
- Select your course choices by clicking on the check box beside the course. When you are done click **OK**

**Note:** Carefully check your course requests before closing your browser. These are the requests that will be submitted as your course requests for next year.

- If you see an error, click the **Select** button again and make your corrections.
- When all of your course selections are correct hit the **POST** button on the bottom of the window.

**Note:** Failure to **POST** your course selections will impact the course registration totals and may cause a course to be dropped due to lack of enrollment. Each time you make a change after posting, you must hit post again for the system to pick up the changes.
