PERSONAL LEARNING TIME

[Click here](#) to view PLT sessions.

Friendly reminders:

- **Students:** log in using your MS Teams credentials
- PLT is **mandatory** for all students
- Students must be in a **learning space** during PLT
- Select sessions with your **Semester 2 teacher only**
- If you select multiple sessions, **only the last one** will be saved
- **Plan ahead** and sign up before PLT begins.

Parents/Guardians, please help us support your child with their learning. Ask them to show you what they have signed up for the coming sessions. This would go a long way to help students organize their time. Students can sign up several sessions in advance.

ENGLISH LANGUAGE LEARNER SUPPORT

All ELL students are encouraged to attend PLT with an ELL teacher at least twice a month to get additional support.

ACTION ITEM: SCHOOL PARKING LOT/TRAFFIC SAFETY

As a reminder, it takes all of us being traffic aware to ensure that our students, staff and parents are safe on our school grounds. We know how busy traffic can be in and around our school during peak times. There have been several near misses, incidents of cars driving too fast in our parking lot and, unfortunately, one recent incident of a driver caused injury to a pedestrian on Garry Street.

We continue to work diligently to get the message out to our entire community that everyone must follow all traffic regulations when accessing the school grounds.

Some important things to keep in mind include:

- follow posted school zone speed limits on the road from dawn to dusk
- slow down when in the driveway and parking lot
- do not use surrounding complexes or driveways to drop off/pick up your child
- no left turns can be made out of the school driveway during peak traffic times, at the start and end of the school day. **These times are 8:10am-9:45am and 2:45pm-3:20pm.**

We have also asked our RCMP partners to assist us with this. Administration will also be outside to help remind everyone as often as possible, but we need everyone's help with this. Thank you for your assistance and cooperation.

VAPING INFORMATION SESSIONS FOR YOUTH

In partnership with Health Canada, [Quit Now](#) is hosting [I quit for me](#), a series of sessions for youth ages 13-18 who would like to stop vaping or smoking. FAMILY DAY: Strengthening Family Relationships

Family Day is a statutory holiday celebrated on the 3rd Monday of February. It is a day to promote work-life balance, allowing time for families to connect. Key strategies for stronger family bonds, include:

- Open communication: encourage honest dialogue where everyone feels heard and valued. Practicing active listening – making eye contact and giving undivided attention.
- Quality Time & Routines: schedule regular family time, e.g. weekly game nights, movie nights, or outings. Establish daily rituals like eating dinner together without electronics.
- Active Support & Appreciation: show appreciation through gratitude and compliments to boost connection.
- Shared Activities: engage in physical activities together, such as walks, sports, or volunteering. Working together on chores or projects builds teamwork.
- Conflict Resolution & Flexibility: address issues promptly through family meetings. Maintain flexibility to adapt to changing circumstances and support each other through stress.
