ACTION ITEM: SCHOOL PARKING LOT/TRAFFIC SAFETY

As a reminder, it takes all of us being traffic aware to ensure that our students, staff and parents are safe on our school grounds. We know how busy traffic can be in and around our school during peak times. There have been several near misses, incidents of cars driving too fast in our parking lot and, unfortunately, one recent incident of a driver caused injury to a pedestrian on Garry Street.

We continue to work diligently to get the message out to our entire community that everyone must follow all traffic regulations when accessing the school grounds.

Some important things to keep in mind include:

- follow posted school zone speed limits on the road from dawn to dusk
- slow down when in the driveway and parking lot
- do not use surrounding complexes or driveways to drop off/pick up your child
- no left turns can be made from the school driveway during peak traffic times (**8:10am-9:45am and 2:45pm-3:20pm**).

VAPING INFORMATION SESSIONS FOR YOUTH

In partnership with Health Canada, [Quit Now](#) is hosting [I quit for me](#), a series of sessions for youth ages 13-18 who would like to stop vaping or smoking. The sessions will focus on health risks of nicotine, creating a support plan, and healthy ways to manage stress. Sessions are 45-minutes on Zoom and run every Tuesday at 7pm from February 3-March 3, 2026.
