ACTION ITEM: SCHOOL PARKING LOT/TRAFFIC SAFETY

As a reminder, it takes all of us being traffic aware to ensure that our students, staff and parents are safe on our school grounds. We know how busy traffic can be in and around our school during peak times. There have been several near misses, incidents of cars driving too fast in our parking lot and, unfortunately, one recent incident of a driver caused injury to a pedestrian on Garry Street.

We continue to work diligently to get the message out to our entire community that everyone must follow all traffic regulations when accessing the school grounds.

Some important things to keep in mind include:

- follow posted school zone speed limits on the road from dawn to dusk
- slow down when in the driveway and parking lot
- do not use surrounding complexes or driveways to drop off/pick up your child
- no left turns can be made from the school driveway during peak traffic times (**8:10am-9:45am and 2:45pm-3:20pm**).

GR. 8-11 COURSE VERIFICATION – Mar. 10

Caregivers and students were e-mailed 2026-2027 school year course requests. Please take the time to review the courses selected and complete the [Course Verification form](#). In addition, indicate to your counsellor if you will be enrolling in any Summer Learning or online courses. **The form closes at 8am March 10, 2026.** This is your last chance to make any changes to your requested courses.

SCHOOL FEES

Students are reminded to pay their school fees. Items are added throughout the year, including field trips, workbooks, and athletics. The General School Fee of \$28 is a required fee for all students and will remain on the students' account until paid. All fees can be paid through SchoolCashOnline.

SPRING BREAK LOCKER CLEAN-OUT!

As we begin preparing for Spring Break, we would like to ask all students to take some time to clean out/tidy up their lockers. This helps ensure our school remains clean, organized, pest free, and ready for a smooth return after the break.

Students are asked to:

- **Recycle paper and other recyclable materials**
- **Take home all food containers, lunch items, and water bottles, gym clothes, personal items, etc.**
- **Dispose of any garbage properly using the correct waste, recycling, and compost bins.**

ATTENTION GR. 12s: RICHMOND COMMUNITY FOUNDATION SCHOLARSHIP – Mar. 13

Are you a Richmond high school student? After graduating, do you plan on pursuing a post-secondary education, whether in academics, vocational studies, or the arts? If so, you may be eligible to apply for a Richmond Community Foundation Scholarship! Applications are due March 13, 2026, and can be submitted online at www.richmondfoundation.org.

LEARNING UPDATES - INTERIM REPORTS

All students and caregivers should have received a copy of their interim report by email on Friday, March 6, 2026. Informal Learning Updates provide an early indication of learning progress and engagement. This update is a good opportunity for students to reflect on their work and learning habits so far this semester, celebrate their success, and set goals for improvement. *If you did not receive your teen's learning update, please contact the school office.*

2026 DRY AFTER GRAD

A parent-led committee is organizing a Dry After Grad (DAG) event on June 25, 2026 for our Grade 12 students. Students will walk the red carpet into a magically transformed school for an inclusive, fun-filled evening featuring music, games, dancing, food, and prizes - all in a safe, alcohol - and - drug free environment. This event is made possible thanks to the generosity of our community. We are in need of prizes, food items, and monetary donations to help purchase prizes and supplies. If you can contribute, please email mcmathdag2026@gmail.com.
