

STUDENT NOTICES

Monday, May 25th, 2026

This is a reminder to current Grade 10 & 11 students, the **2026-27 McMath Link Crew** applications close this Friday! You need to have a teacher sign the reference letter and have them hand it in to Ms. Vaughan by Friday. Paper copies are in the office. Apply today for the chance to become a mentor for our incoming Grade 8s.

Attention Wildcats! The **Service Award** online survey is due this Friday at 3pm. If you are eligible, please fill out the online survey the link was emailed to you several weeks ago, or go to the school website for more info. The deadline is 3:00 pm this Friday, May 29th and no late submissions will be accepted. Thank you.

Congrats to our very talented **McMath Golf Team** on an amazing season, they finished 4th at the South Frasers! Go Wildcats!

Congrats to the **McMath Girls Tennis Team** for placing 10th in the province. They played some great matches out at UBC and capped off their season with back to back wins! Go Wildcats!

Attention all Wildcats! Do you have a passion for film? If you've created a short film – or want to give filmmaking a try – the Drama department has a fantastic opportunity for you. Submit your work to **the 2026 Film Festival**, happening June 2nd. Students can submit a film anytime between now and

May 29th. Films must be under 10 minutes long and must be made by students. 1st place will receive a \$50 Richmond Centre gift card and 2nd & 3rd Place will be gifted small prize packs. Whether you're a seasoned film maker or trying something new, we want to see your ideas on screen!

Please check the posters around the school for full details or email Ms. Riddell with any questions. Lights, camera, action.

Wildcats, we are back in action! The **McMath First Responders** are hosting a general meeting about spinals TODAY at lunch in the drama room. See you there.

Calling mathletes of all grades interested in team competitions! The **Canadian Team Mathematics Contest** will be held on Tuesday, May 26, after school. Those interested can check out the latest post on the math club Instagram page for more details, look out for posters around school, or attend the info session this Thursday at lunch in Ms. Lim's room.

Thank you to everyone who came out on Friday to support our **Interact Ocean Love Beach Clean-Up Project!** Together, we collected over 7 buckets of trash and debris across Garry Point Park. Amazing work, Interactors! We're so proud of you. See you again next year!

If you are in **Grade 8** and pre-ordered the hot lunch from **Munch-a-Lunch**, your lunch will be distributed today on the stage. Students are advised to line up at the beginning of lunch to get their order. For students who pre-ordered will collect their lunches throughout the week; Grade 8s TODAY, Grade 9s on Tuesday, Grade 10s on Wednesday, Grade 11s on Thursday and Grade 12s on Friday.

Bonne journée McMath!
