

STUDENT NOTICES

Monday, September 14th, 2026

Attention all students: please make sure you return all your **FORMS**, (a Blue one, A pink one and a Yellow one)! Please bring yours to the office ASAP.

Tomorrow, Tuesday September 12th is our first PLT day. PLT will be 60 minutes after first period. Please note that there will be some changes to our PLT structure. These changes have been made based on last year's student and parent surveys and changes that have been recommended by students, parents and teachers.

All students are still required to sign up for a space to work - teachers all have a sign-up sheet in their classrooms that will be used for attendance as well during PLT. **Please note that the rotunda is NO longer an open flex space for grade 11 and 12 students.** The rotunda will be capped at 30 students for quiet

space to work. Technology will also be available to students who may need it. Sign-up for the rotunda is outside the office doors. Any students who have not signed up for the rotunda will be redirected to a classroom space. The library will also be capped at 30 for Grade 11 and 12 students only. The gyms are also capped at 30 students per teacher. Students who have not signed up for the gym space will be redirected to a classroom space.
