McMath's Connections Group is a casual, drop-in social group for Grade 8 male students focused on building friendships and strengthening social networks within the school. Facilitated by two Peer Support Workers from the Integrated Child and Youth Team who work with the Richmond School District, this person-centered group offers a great space for students to hang out and share snacks, laughter, and conversation while playing board games, chess, and cards, or creating art. Any Grade 8 male student is welcome to drop by on Fridays at lunch in Room 12150 (LS Room)—no sign-up required!

CITY OF RICHMOND – SNOW ANGELS VOLUNTEER OPPORTUNITY

The Snow Angels Program matches volunteers with nearby seniors and people with diverse abilities who need assistance with helping to clear snow. Volunteers shovel a path from the resident's front door to the sidewalk and clears the sidewalk around their home. The city provides training, a shovel and ice melt.

This is a practical and supportive way for students to give back and earn volunteer hours that can by used toward graduation. This opportunity is weather dependent. Parents are encouraged to speak with their teen child about this opportunity. Students can learn more about this opportunity and register to help out by clicking HERE. Volunteer registration will be open until December 1st.
