PLT – SIGN UP EARLY

PLT is mandatory instructional time, and students are reminded that they must be in a designated space within the school utilizing this time to support their learning. Students are expected to be with one of their four teachers during this time. Students in grades 11 or 12, may also choose to sign up to use PLT as quiet study time in either the library learning commons or the rotunda.

Students must plan ahead on how they will best use PLT to support their learning. A schedule of sessions being offered by all teachers is posted on the McMath website under the student pull down menu. The link to the schedule is called, "PLT Sessions Schedule". The schedule of sessions being offered from November 3rd until winter break is now posted. Please note that there are class size limits for all sessions.
