COMMUNITY ACCESS TO MCMATH

We value the partnership and involvement of our parents, guardians and community members. We are always pleased to welcome visitors to our school. To help us maintain a safe and secure learning environment for students and staff, please remember that all visitors must check in at the main office immediately upon arrival. The main office is located just inside the school's front entrance.

For the safety of our students and staff, please note that visitors should not enter classrooms or walk through the school without checking in at the office where office staff can provide support with visitor protocols. Additionally, please be aware that there are no washrooms available for public use at the school. Thank you for helping us keep our school safe and welcoming for everyone.

HOLIDAY FOOD & CLOTHING DRIVE

McMath's Interact Club is now hosting the annual food and clothing drive at McMath until December 10th. The food drive is in support of the Richmond Food Bank.

As the cost-of-living rises, more families in our community rely on the support of the food bank. Our community's contributions can make a meaningful difference for many families. Donations are being collected from students during their block B classes.

There are a variety of ways that donations can be made:

- Non-perishable food items (ie. canned goods, pasta, rice, cereal)
- Personal care/hygiene products
- Clothing items (ie. clean gently used tops, sweaters, jackets, pants, shoes)
- Monetary donations (cash donations or donate through school cash online)

We are hoping that our community can make this the best donation year yet. If possible, please consider helping by making a donation. Members of the public can also make donations directly to the school's main office.

WINTER CONCERT

The McMath Music Program will be hosting its annual winter concert on the evening of Thursday, December 10th. Please mark calendars and join us for a wonderful night of music and celebration with our talented students.

IMPORTANT DATES

Dec 2	Connexions Class #2 SD38 Careers Assembly (Gr 10 & 11 Students) Gr 12 Group Photo
Dec 10	Winter Concert
Dec 14-18	At Risk Interims Sent Home
Dec 16	Collaboration Day
Dec 18	Last Day of Classes Before Winter Break

MCMATH PAC PURDY'S CHOCOLATE FUNDRAISER

Parents and caregivers can order Purdy's chocolates and gifts on the website purdyschocolates.com and use McMath PAC fundraiser code **000036654.** All profits support scholarships, clubs and appreciation events. Items ordered by December 5th can be picked up at McMath December 10th and 11th.

GR 8 PLT SESSION – THURSDAY, DECEMBER 3RD

On Thursday, December 3rd during PLT, all grade 8 students are asked to report to their homeroom classes. There they will engage in a workshop about literacy strategies facilitated by teachers and McMath's Student Link Crew. Students will learn about summarizing, main ideas and note taking.

STUDENT PARKING AT MCMATH

An important reminder to any students who would like to park at McMath during the school day, that their vehicle must be registered and approved through the office. Additionally, all safe driving regulations must be followed at all times. Approved drivers are required to park appropriately in a designated spot. Parking violations may result in the vehicle being towed at the owner's expense. Thank you for your cooperation.

MCMATH MORNING TRAFFIC AND STUDENT ARRIVAL AT SCHOOL

Since the change with Daylight Savings Time, we have seen a significant increase in students arriving late to school, with many missing up to 10 or more minutes of their first block class. We recognize that darker mornings, changing weather conditions, construction, and increased traffic in our parking lot can make morning routines more challenging. To help students start their day successfully and maximize their learning opportunities, we kindly ask families to allow extra travel time to get to school whenever possible. Thank you for your continued support and partnership.

MARK YOUR CALENDARS – PAC MEETING NOV 30TH

The next PAC meeting will be taking place on November 30th at 7pm. All McMath parents/guardians are invited and encouraged to attend. The link to the online meeting is below. We hope to see you there!
