STUDENT NOTICES

Monday, Nov 9th, 2026

Nov 5th - 11th is Veterans' Week. McMath Leadership students will be hosting our Remembrance Day Ceremonies tomorrow, Tuesday Nov 10th during B blocks (there is no PLT). We are collecting donations for the **Poppy Fund** at the office and with School CashOnline until Nov 13th and in A block on Nov 10th. We will be demonstrating PRIDE behaviour at our assemblies and are reminded this is a solemn occasion and staff and students should be dressed accordingly. An email was sent out to students, please refer to the email for more details.

Nov 8th was Indigenous Veterans' Day.

A day of recognition of indigenous people's contributions to the Canadian Military, during the war of 1812, the First and Second World Wars and the Korean War. Frist Nations, Metis, Inuit and other indigenous people were not conscripted into these wars because they were not considered citizens at the time. Despite that, it is estimated more that 12, 000 indigenous men and women volunteered and served. Many were secretly recruited as code talkers and used their traditional, unwritten oral languages to transmit unbreakable military communications during both World Wars.

Francis Pegahmagabow (peg-uh-MAG-uh-boh) was an Ojibwe (oh-JIB-way) soldier; he was the most highly decorated Indigenous soldier in Canadian military history and the most effective sniper of the First World War. Three times awarded the Military Medal; he was an expert marksman and scout. Credited with killing 378 Germans and capturing 300 more.

Another highly decorated Indigenous soldier was Tommy Prince, he was one of the only three Canadians to receive both the Canadian Military Medal and the American Silver Star during World War 2.
