Misc. Comments for Gr.8 to 9

1. **Applied Skills** – rotation not complete. Review course descriptions to learn more about the class you haven't seen yet. Changes later are very difficult & sometimes not possible.
2. **Language** – not required at gr. 9. However, could be required for post-secondary.
3. **Alternates (backups)** – important for gr.9s to provide!
4. **Course choices** - must consider **work habits** and **course completion** (a.k.a. promotion)
