**Parent Advisory Committee (PAC) DONATION
REQUEST**

Dear McMath Parents and Guardians,

Your PAC's primary objective is to support the success of your students. To meet this goal, the PAC is requesting your help by the way of a **one time annual donation in lieu of PAC fundraisers**. Donations make up a significant percentage of PAC funds providing diversification of learning opportunities and experiences which enhance course content. Requests by staff, students and parents for financial support for classroom consumables, new equipment, technological goods, parent education sessions and staff appreciation luncheons far exceed our present funding ability.

Unlike most fundraisers, **EVERY DOLLAR YOU DONATE GOES DIRECTLY TO SUPPORT MCMATH STUDENTS!**

The McMath school community values the financial help you have provided in previous years and embraces your ongoing support once again this year.

**Please show your Wildcat Spirit by donating to McMath PAC.
Any donation, large or small, is welcome and greatly appreciated!
Thank you in advance for helping enrich the school experience
for all our McMath students.**
